Architecture Program Reports (APRs) for all spring 2018 visits are due September 7, 2017. These visits will be completed under the provisions of *The 2014 Conditions for Accreditation* and the edition of the *NAAB Procedures for Accreditation* in effect at the time APRs are due.

If your program is not listed and you believe it should be, or if your program is listed and you think it should not be, or if you have questions about this list or

National Architectural Accrediting Board, Inc.

other matters related to accreditation, please contact the NAAB at info@naab.org or 202.783.2007.

Vision: The NAAB aspires to be the leader in establishing educational quality assurance standards to enhance the value, relevance, and effectiveness of the architectural profession.

Mission: The NAAB develops and maintains a system of accreditation in professional architecture education that is responsive to the needs of society and allows institutions with varying resources and circumstances to evolve according to their individual needs.
